Study Period Extension Request

Academic Year 2022/2023

Procedure:

- 1) The student fills in the form, signs and sends the document to erasmus.outgoing@univpm.it.
- 2) UNIVPM International Relations Office checks the request and sends the document to the UNIVPM Erasmus Departmental Coordinator.
- 3) If approved the extension by the Coordinator, UNIVPM International Relations Office sends the request to the student.
- 4) The student asks for the host university approval and sends the document duly signed by the 3 parties (student, UNIVPM, host university) to erasmus.outgoing@univpm.it.

Students who wish to extend for an additional semester are requested to submit in esse3web the changes to the original learning agreement.

The total number of months, including extension, cannot exceed 12 months for each study cycle course (e.g. Bachelor's; Master's) or 24 months for single cycle courses and the study period needs to be concluded within September 30th 2022.
