

MINUTES OF STUDY COURSE'S COUNCIL
9th July 2026

On Tuesday 9th July 2026, at 2.30pm, the Study Course's Council of the Master's Degree Course in Medicine and Surgery took place in classroom S (Polo Murri) and via Microsoft Teams (link: [SCC Medicine and Surgery July 9th 2026 2.30pm | Partecipazione alla riunione | Microsoft Teams](#)). The Council was convened by Professor Simona Magi, President of the Course, via email on 2nd July, 2026, in order to discuss the following agenda:

1. Announcements by the President
2. Approval of minutes from previous meetings
3. Quality Assurance Systems
4. Didactic Activity
5. Student Practises
6. Any other business

At 2:40 p.m. Professor Simona Magi, acknowledging all the justified absences (14), attendances, and the legal number (attach. 1) calls the meeting to order.

Nadia Canonico attends the meeting as administrative support.

1. Announcements by the President

IMAT Test Date: 30 September 2026

Professor Magi informs about the date of the IMAT test, which has been set for 30 September 2026, as indicated in the notice published on 3 July 2026 concerning the examination dates for degree programmes with restricted access for the 2026/2027 academic year.

Syllabus Completion

The President reminds about the completion of the syllabus, to be carried out by the end of August 2026.

2. **Approval of minutes from previous meetings**

No points.

3. **Quality Assurance Systems**

Quality Assurance Group – Current Composition

Simona Magi
Jacopo Sabbatinelli
Simone Pifferi
Jessica Amicucci
Nadia Canonico

The President informs the Council that the composition of the Quality Assurance Group will be updated following the appointment of the new student representatives.

4. **Didactic Activity**

Italian Language Course – Internship

Professor Magi informs the Council that the Italian Language Course, delivered by the CSAL, is currently included among the compulsory activities for international students, corresponding to 2 ECTS credits (50 hours).

Starting from the next academic year, it is proposed that the course be delivered as a year-long course during the second year of the programme.

Similarly, the Clinical English Course, intended for Italian students, will be delivered as a year-long course during the fourth year of the programme.

The Council approves.

Laboratory Guides

Professor Magi informs that the availability of the following laboratory guides for the 2026–2027 academic year (third year) has been confirmed:

1. Valentina Santi – Practical Laboratory III: Blood Sampling and Culture Tests
2. Maddalena Spinelli – Practical Laboratory III: Blood Sampling and Culture Tests
3. Michele Cipolletta – BLSD Instructor

The President requests authorization to proceed with the appointment of candidates from the existing ranking lists and/or, in the event of subsequent withdrawals, to issue a new call for applications. This is necessary to ensure the regular delivery of the above-mentioned activities and to address any withdrawals that may occur after the present date.

She also informs the Council that it is necessary to proceed with the appointment of the BLSD Course Director, as no availability has so far been received from Dr Maccaroni, who currently holds this position, for the 2026–2027 academic year.

The Council approves.

The Council is informed about the need to issue a call for applications for the third year, providing for two Laboratory Guides for each of the PTA Skills listed below, for a total of four positions:

Skill/Activity	Skill's contents	Profile and Requirements
BASE CARDIOPULMONARY RESUSCITATION TECHNIQUES	1. Identify cardiac arrest in adults and children. 2. Perform CPR and provide bag-valve-mask ventilation. 3. Use a semi-automatic defibrillator. 4. Be familiar with and apply the international first aid guidelines for adults and children.	Degree in Medicine and Surgery or Nursing. In possession of specific BLSD INSTRUCTOR certification
YEAR III PRACTICAL WORKSHOP	1. Provide a capillary sampling 2. Provide a venous sampling 3. Provide an arterial sampling 4. Provide samples for culture test	Degree in Nursing.

Facoltà di Medicina e Chirurgia

Corso di Laurea Magistrale a Ciclo Unico – Medicine and Surgery

Professor Magi informs the Council of the need to issue a call for applications for Laboratory Guides for the fifth-year Professional Training Activities (PTA).

The Board is requested to express its opinion regarding the request for four teaching support positions for the fifth-year Professional Training Activities (PTA), for the following activities:

FIFTH-YEAR PRATICAL LABORATORY -1	Ability to interpret cardiac rhythms.
FIFTH-YEAR PRATICAL LABORATORY -2	Ability to: 1. Perform a physical examination of the breast and relevant lymph node stations; recognize and treat the most common breast pathologies 2. Interpret the results of major diagnostic investigations 3. Perform a fine-needle aspiration 4. Understand the indications for therapeutic approaches (surgical, oncological, radiation) to oncological breast pathologies.
FIFTH-YEAR PRATICAL LABORATORY -3	1. Knowledge and understanding of the operation of urinary catheters and drainage bags 2. Ability to perform urinary catheterization (on a simulator) 3. Ability to manage bladder irrigation 4. Ability to apply care protocols for the management, replacement, and removal of urinary catheters (both in hospital and home care settings) 5. Knowledge and understanding of the operation of a urostomy, nephrostomies, epicystostomy, and ureteral stents; recognize and treat catheter-associated urinary tract infections and septic complications 6. Providing guidance on urine culture.
FIFTH-YEAR PRATICAL LABORATORY -4	1. Ability to insert and manage a Peripheral Intravenous Catheter 2. Manage a central venous catheter and a PICC 3. Manage an arteriovenous fistula; administer intravenous therapy.

The Council approves.

Approval of Internships from the First to the Sixth Year of the Course

Professor Magi presents to the Council the list of internships for students from the first to the sixth year (attach. 2), for approval.

The Council approves the proposed list of internships.

PTA recoveries

The President informs the Council that, as outlined in the table, the arrangements for the recovery of PTA skills have been defined for students who have transferred to the programme or who arrive in Italy late due to visa-related issues:

PTAs

Exam prerequisites and progression

Professor Magi informs students that, to ensure compliance with examination prerequisites, students who intend to take the following year's PTA examination immediately after completing a specific PTA examination must inform the relevant professor in advance. This will allow the examination results to be communicated promptly, enabling students to proceed with the academic progression established by the regulations.

The President informs that it was agreed that a recovery session will be guaranteed at the end of the teaching period (July) for all students who are required to retake the Histology PTA examination due to a transfer or late issuance of their visa.

Skills Lab conduct and equipment

The President reminds students of the importance of maintaining appropriate conduct in the Skills Lab and of handling all equipment and materials with due care.

Having nothing more to discuss, the Study Course Council closes at 3.05 p.m.
